Affordable CD-R Solutions requires submission of this form by all customers, brokers and/or representatives. Please complete this form by clearly printing or typing all information in English. Orders will not be processed until validation of information is provided. Sources received without this information will be held without further processing, or returned upon receipt. Be advised that Affordable CD-R Solutions participates in the International Recording Media Association (IRMA) Anti-Piracy Compliance Program. As such, by submitting this form, you agree to the following:

1. Affordable CD-R Solutions will incorporate a source code in all CD-ROM and DVD-ROM replica discs;
2. Except as provided in Paragraph 4 (below), Affordable CD-R Solutions will maintain one source copy of each CD-ROM and DVD-ROM forwarded to it, by you, for one year. This includes all sources submitted only for mastering services.
3. Affordable CD-R Solutions may, in its sole discretion and at your sole cost, investigate the ownership of any and all materials provided to Affordable CD-R Solutions for duplication or reproduction.
4. If Affordable CD-R Solutions cannot confirm, in its sole discretion, that you possess the power and authority to contract the services to be provided by Affordable CD-R , (a) Affordable CD-R Solutions will have no obligation to provide any duplication services, regardless of any duplication agreement that may be in effect, (b) Affordable CD-R Solutions will quarantine all of these products and materials forwarded to it by you and, (c) within ten (10) business days, Affordable CD-R Solutions will return to you all of these materials.
5. For each item of source media forwarded to Affordable CD-R Solutions, you must provide on Section 2/Appendix A to this form (a) a description of the CD-ROM or DVD-ROM content, (b) instructions on how to read all directories and open all files in the source media being supplied (the instructions must allow us to decrypt, decompress, determine the file listings of, and execute, all executable files contained in the source media). If you are not the copyright or trademark owner listed on Appendix A, you must attach the License/Release or similar document(s) executed by the copyright/trademark owner(s) in your favor. Appendix A and the License/Release, if any, must accompany this form for your order to be processed.

FOR BROKERS ONLY:

You are required to complete Section 1/Appendix A to this form. Notwithstanding Broker's execution of this CD-ROM and DVD-ROM Anti-Piracy Form, it represents and warrants that all optical discs and related materials provided to it for reproduction have been remitted to it by its customer, namely:

Section Two	Respond To All Three Sections
Describe the CD-ROM or DVD-ROM content (IRMA, Section 4.2.C). Include a description of the software application.	
Provide proof of copyright and trademark authorization (IRMA, Section 4.2.D). If executable software or multimedia programs belonging to persons other than the customer are used in the source/master, documentation granting a license to, or otherwise confirming, the copyright owner's authorization of the ordering party to produce a CD-ROM or DVD-ROM source or replicate containing the copyright owner's programs and trademarks must be provided. Identify the additional software or multimedia applications in the space below and attach the appropriate documentation.	
Provide instructions on how to read directories and open files (IRMA, Section 4.2.E). This should allow a user to decrypt, decompress, determine file listings of, and execute all executable files contained in the source media being supplied. Indicate below, or attach appropriate instructions.
